

# PRIME PATH to the Weekend!

Vol. 1 | October 14, 2022

## Good morning and happy Friday!

We are so excited to be able to launch our **VERY FIRST** newsletter today! Make sure you check your inbox every Friday for a rundown of some of the things we found interesting and entertaining this week.

## Industry News

### Nanophotonic devices: their uses and impact

Nanotechnology is more than just tiny robots. These devices are changing the way we look (literally) at healthcare diagnostics and practice.
